To whom it May Concern

Subject: Business recommendation letter

It is with great enthusiasm that I write this letter to recommend **Hamdaile PLC**, our valued business partner since 2024.

At **Unilever Manufacturing PLC**, we have been collaborating with Hamdaile PLC on the supply of locally sourced raw materials, specifically mining products of Ultrafine Dolomite. This partnership has played a vital role in enabling us to fully localize our sourcing strategy and substitute our import material to locally sourced Ultrafine Dolomite

We are pleased to highlight that Hamdaile PLC has consistently supplied us with one of our key raw materials of **Ultrafine Dolomite** meeting our quality standards with reliability and professionalism.

Their commitment to excellence and timely delivery has made them our **top choice** among local suppliers. Based on their outstanding performance, we have full confidence in their capabilities and dedication.

Therefore, I strongly recommend **Hamdaile PLC** for any future opportunities and wish them continued success in all their endeavors.

Yours Sincerely,
